

SembWaste Schools Recycling Outreach Programme 2021

Acceptance of Terms

Please read these terms and conditions (“**T&Cs**”) carefully. By participating in our school programmes, you agree to these T&Cs, and you consent to the collection, use and disclosure of your personal data as described in these T&Cs. If you do not agree to these T&Cs, you must not sign-up or register your interest at our link. Your sign-up or registration of interest shall be deemed to be your agreement to be bound by each of the terms set forth below. SembWaste can change these T&Cs at any time by posting updated T&Cs on the same link or by sending registered participants an email notice of the changes. If any modification is unacceptable to you, you shall cease your participation by notifying us in writing immediately. If you do not cease your participation or notify us in writing of your non-participation, you will be deemed to have accepted the change.

Governing Law and Jurisdiction

These terms and conditions shall be construed in accordance with the applicable laws of Singapore. Both the participants and SembWaste (including its partner Unilever) irrevocably and unconditionally submit to the exclusive jurisdiction of the courts of Singapore.

TERMS & CONDITIONS

The “SembWaste Schools Recycling Outreach Programme 2021” is organised by SembWaste Pte Ltd and will run from 18 January 2021 to 30 September 2021 (both dates inclusive). The programme is open to all schools within the sectors whereby SembWaste is the prevailing licensee for public waste collection. The sectors that are able to enjoy the programme are Clementi-Bukit Merah, City, Punggol and Woodlands-Yishun.

Interested schools are encouraged to sign-up via this link (<http://bit.ly/2021schprog>) by 8 January 2021. The programme consists of 3 components, (A) Recycling Bin Decal Design Competition; (B) ezi Schools-Go-Green Competition; (C) Recycling Educational Programmes. Schools may choose to sign-up for any of the 3 components. For any enquiries in relation to the programme, please email recycleright@sembcorp.com.

A. RECYCLING BIN DECAL DESIGN COMPETITION

1. Participating schools may submit up to a maximum of 5 decal designs per school only. Any additional entries submitted will be disqualified.
2. Each submission must be accompanied with a write-up to explain the design rationale. The word limit of the write-up is 250 words.
3. Detailed guidelines for this design competition will be sent to all participating schools by 18 January 2021. All participating schools must adhere to the guidelines. The organising committee reserves the right to disqualify any entries that do not meet the stipulated guidelines.
4. Closing date for this competition is 8 February 2021.

5. 3 winning teams with the best and most creative designs will have their designs printed on recycling bins located within the Dunearn estate. This is subjected to approval by authorities.
6. Each winning team will receive a cash reward of \$300. We reserve the right to substitute the cash reward with items of similar value and change the terms and conditions without prior notice.
7. In the event of any dispute, the decision of Sembcorp shall be deemed final.
8. SembWaste and Unilever reserve the right to use all submitted media, including images and videos, for publicity purposes, and by participating in this competition, the school agrees to cooperate with and participate in such publicity activities.

B. EZI SCHOOLS-GO-GREEN COMPETITION

The ezi Schools-Go-Green competition is organised in conjunction with Unilever.

1. The ezi Schools-Go-Green competition consists of 2 components:

(1) Recycling Tonnage

- a. The recycling tonnage ranking will determine 60% of the total scoring for the ezi Schools-Go-Green competition.
- b. A recycling bag will be issued to each teacher and student from schools participating in this competition only. Please note that the bags will be issued on a first-come-first-served basis, based on sign-up date.
- c. All participating schools will be given recycling receptacles to house their recyclables for this competition, separate from the blue recycling bins.
- d. Only paper, metal and plastic recyclables will be collected for this competition.
- e. Recyclables collection will be conducted on a fortnightly frequency.
- f. The school will need to appoint a person-in-charge to create a school account on the ezi mobile application. The collection schedule will be made available on the app for the person-in-charge to select the collection dates.
- g. Scores will be awarded based on the school's tonnage ranking. Schools may find the updated rankings on the ezi website, under the School Programmes tab.
- h. All recyclables shall be washed and cleaned.

(2) Education and Outreach

- a. The education and outreach component will determine 40% of the total scoring for the ezi Schools-Go-Green competition. Schools will be required to participate in 2 activities:
 - i. Creation of educational collaterals
 - A. This will determine 50% of the scoring for the "Education and Outreach" component, i.e. 20% of the total scoring for the ezi Schools-Go-Green competition.
 - B. Participating schools are to design 2 collaterals. These collaterals are to be designed with the purpose of encouraging Singaporeans to recycle.
 - C. Additional points will be awarded to schools based on the following:
 - i. Collaterals are easy to understand
 - ii. Collaterals are in multiple languages
 - iii. Creativity, for e.g. use of animation, video, song or rap.

- ii. Participation in #RecyclingChallenges
 - A. This will determine 50% of the scoring for the “Education and Outreach” component, i.e. 20% of the total scoring for the ezi Schools-Go-Green competition.
 - B. Participating schools are to participate in at least 2 #RecyclingChallenges. These #RecyclingChallenges will be posted on the ezi mobile application, under the “Schools” tab in the “Learn more about recycling” articles page.
2. A submission form will be sent to all schools participating in this competition. Schools are to fill-up the form, attaching all relevant write-ups and documentation of the activities done, including the collaterals created, and email it to recycleright@sembcorp.com by 31st July 2021 to qualify.
3. The organising committee will select the winning schools using the criteria stated above. 60% of the score will be based on the schools’ ranking for “Recycling Tonnage”. The remaining 40% will be based on the schools’ participation in the “Outreach and Education”.
 - a. 1 school will be selected as the “Top School”, and will receive a cash reward of \$1,000. The “Top School” will also be awarded the “Gold Award” under the SembWaste Green Recycling Mark.
 - b. 5 primary and 5 secondary schools will be selected as runners-up, and will receive a cash reward of \$500 each. The 10 schools will also each be awarded the “Silver Award” under the SembWaste Green Recycling Mark.
 - c. All participating schools will receive the “Bronze Award” under the SembWaste Green Recycling Mark.
4. SembWaste and Unilever reserve the right to use all submitted media, including images and videos, for publicity purposes, and by participating in this competition, the school agrees to co-operate with and participate in such publicity activities.

C. RECYCLING EDUCATIONAL PROGRAMMES

1. SembWaste will be offering various educational programmes, in the form of talks and workshops, to help improve recycling awareness and interest amongst schools.
2. The recycling educational programmes will be held from 1 February 2021 to 30 September 2021 (both dates inclusive).
3. SembWaste will reach out to schools who have indicated their interest to participate via the sign-up link stated above, after the sign-ups close on 18 January 2021, to organise the educational programmes best suited for the school.
4. All educational programmes are subject to change, at the discretion of the Company.
